Dear Stepping Stones Parents,

We are in the process of transferring all aspects of the community to a new software system which allows us to utilize so many new and exciting features!

With Procure we will be able to send texts to our families! This is a great feature to have to make sure we get any info to you as quickly as possible.

We ask that you please fill out the form below and return it to the office as soon as possible so we are able to get you set up in the system!

Thank you,

Stepping Stones Montessori School
